WHY RENTALMAX?

CONVENIENT LOCATIONS

Founded in 1997, RentalMax is the largest general equipment rental company in the greater Chicagoland area with 9 locations strategically positioned throughout the Chicagoland and Northwest Indiana market to best serve you. The addition of our 10th and newest location in Madison, Wisconsin is the first RentalMax location in the Southern Wisconsin market.

EQUIPMENT EXPERTISE

Each location is staffed with experienced rental experts and stocked with a huge selection of top-of-the-line equipment to help you get your job done.

SAME DAY AVAILABILITY

While reservations are encouraged, we can also accommodate same day availability for most of our equipment. You can be sure we will have the equipment you need, when and where you need it.

GREAT EQUIPMENT

RentalMax invests millions of dollars each year into our fleet to make sure customers have access to the latest professional-grade equipment. Whether you are a contractor, an industrial business or a do-it-yourselfer, RentalMax has the well-maintained equipment you need to complete your project on time and on budget.

WHAT OUR CUSTOMERS SAY ABOUT US

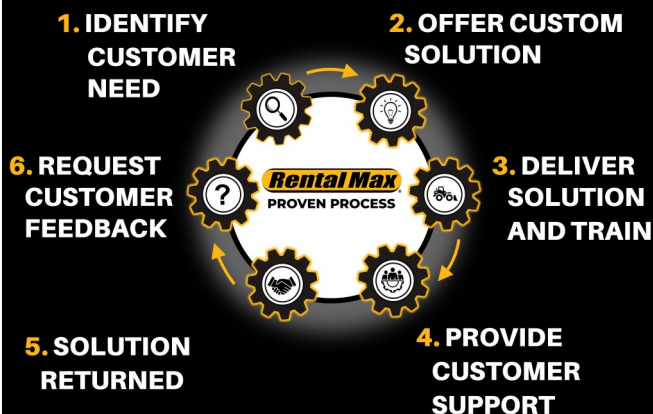

"RentalMax has provided outstanding service and support. I am renting from them every day, and each and every time the scheduling of equipment is seamless and on-time with friendly customer support readily available. They have gone above and beyond my expectations, and they make my work day easier knowing I have one less thing to worry about because I know they will come through when needed the most." – Matt Pokorny, All Industrial Electric

"We have been dealing with RentalMax for many years. It is very rare nowadays that you deal with any company that has all the bases covered, the way RentalMax does. They continually demonstrate friendly, outstanding and knowledgeable customer service. The RentalMax teams always works with us for on time deliveries to meet our available receiving times on our jobsites. Which is a great value to our business to receive equipment when needed to minimize lost time. They embrace the challenges we present for solutions to 'out of the ordinary situations' that we come across and as always; they deliver a sound resolution. We truly value the relationship we have built over the years with RentalMax and look forward continuing with them on future projects."

– Anthony Rule, Vice President, ABS Electrical Division

"Working with RentalMax has been a great customer service experience for us at Phoenix. From the quality of the equipment we rent for our projects to the response time from the employees, RentalMax helps us ensure our projects run smoothly and on time. When we have rental equipment needs, we call RentalMax first." – Peggy Hrindak, President/CEO, Phoenix Business Solutions
